

Port Falmouth Marina

PRESS RELEASE

Date: 28 July 2008

Port Falmouth Marina on Show

Plans for the new state-of-the-art 300-berth Port Falmouth Marina will be on show during the Henri Lloyd Falmouth Week, 9 – 16 August.

The marina, part of the regeneration of Falmouth Docks by A&P will transform the area between Queens and Duchy Wharves. A new floating breakwater will also be built to protect the marina from prevailing winds, providing additional berthing for commercial vessels and super-yachts.

Inside the breakwater the marina will cater for boats of all sizes and will be served by a large car park and a renovated building which will house the showers, wash rooms, launderette and the marina office.

The exhibition will take place at Falmouth's Events Square and be manned by the new marina's manager, Drystan Jones.

Said Drystan: "There is huge interest in the new marina which promises to provide the town with a great new facility enabling the growth of a wide range of yachting events within the town".
